Agenda

- Developments
- Cad Platforms
- Operating Systems
- Workshops
- User Presentations
- What's Coming?

CodeBook International Ltd © 2010

CodeBook v9.0

- Cad and BIM Systems Supported
 - Archicad 13
 - Autocad Architecture 2010
 - Bentley Architecture v8i
 - MicroGDS 2010
 - Revit Architecture 2010
 - Office: Word and Excel 2007

CodeBook International Ltd © 2010

64 Bit Support

- Currently
 - Revit 2010
- Next Month
 - Autocad 2010
- Future
 - will follow cad vendors lead

CodeBook International Ltd © 2010

Operating Systems Supported

- Windows XP 32 bit
- Vista 32 bit
- Windows 7 32 bit
- Windows XP 64 bit
- Windows 7 64 bit

CodeBook International Ltd © 2010

CodeBook v9.0 will not support

- Autocad =< 2009
- Microstation/J
- Office 2000
- Office 2003 ??

CodeBook International Ltd © 2010

CodeBook v8.2

- will continue to be supported while sufficient demand
- no further enhancements
- urgent fixes only
- no cad upgrades
- windows XP 32 bit

CodeBook International Ltd © 2010

Upgrading to v9

- project
- library
- using the upgrade utility
- Convert Autocad libraries
 - Revit and ArchiCad

CodeBook International Ltd © 2010

Development

- Visual Studio.net
 - ado database
 - grid controls
- Improved input interfaces
- Additional graphics for Autocad 'C' Sheets

CodeBook International Ltd © 2010

Development

- Data Import Wizards
- Constraints and Merging Databases
- Building Information Models

CodeBook International Ltd © 2010

User Presentation:

Farhad Hosany
HOK Architects

CodeBook: As BIM Tool

CodeBook International Ltd © 2010

Workshop:

Building Information Model

- Linking to Graphical BIM model
- Mapping of BIM data
 - room information
 - equipment
- Mapping of Equipment families

CodeBook International Ltd © 2010

Workshop:

Revit Limitations

- 'C' Sheets
- Themed Views

CodeBook International Ltd © 2010

User Presentation:

Billy Fergusson
BDP Architects

Multi-discipline Use of Data

CodeBook International Ltd © 2010

Workshop:

Constraints

- Read / write control
 - CodeBook Interface
- Remote databases
- Merging databases

CodeBook International Ltd © 2010

User Presentation:

Nigel Ford
Atlas Industries

Sharing the Load

CodeBook International Ltd © 2010

Lunch and a Chat

- resume at 13.45

CodeBook International Ltd © 2010

User Presentation:

Cyril Verley
CDV Systems
US CodeBook Distributor

BIM – The US Experience

CodeBook International Ltd © 2010

Workshop: Wizards for Importing Data

- Room Data
- Required Equipment Lists
- Equipment Library Data

CodeBook International Ltd © 2010

Workshop: Building Revit Projects

- Build CodeBook Project from BIM
- Build BIM Rooms from CodeBook

CodeBook International Ltd © 2010

User Presentation:

Robert Etchell
Llewelyn Davies Yeang

Organise Data for Quality

CodeBook International Ltd © 2010

Presentation:

Scott Grant
Excitech Ltd

Prepare to use BIM

CodeBook International Ltd © 2010

Tea, Coffee and Biscuits

- resume at 15.40

CodeBook International Ltd © 2010

What's coming?

- Improved Reporting
- Sql Server Version
- Revit M+E Version
- Licence Manager
- User Requests

- Any Questions ?

CodeBook International Ltd © 2010
